It is great seeing everyone back at Starfish school after the summer holidays. The children have adjusted back to life at school very quickly and the new school year is now in full swing. I’m especially happy with how well the new students have adapted during their short time here. There is great atmosphere around the school and it is good to be teaching such a happy and enthusiastic group of children. It has been a short month, however we have already managed to include lots of crafts, funny games, swimming, cooking and fancy dress parties; a brilliant start to the year.
Starfish International Kindergarten

We would like to welcome Fie to the S.I.K team. Fie has come all the way from Denmark to do her internship here with us. She will be with us for this school year while she finishes her degree in teaching and childcare. Fie has already made a good impression on the children and the staff, we know she will be a valuable member of our team. We are now doing swimming on alternate Wednesdays. We will have swimming next week so please pack swimming costumes.

Have a great September!
Kind regards,
James, Angela, Fie and Phuong
